This year's topic:
The importance of
Role Models

This October, BCG will again host an LGBT+ in Business Event co-hosted by the PROUT AT WORK-Foundation. The event will be held in a hybrid format in Cologne on the 6th of October 2022 in preparation for the International Coming Out Day. As diversity is one of the greatest drivers of innovation, we want to draw attention to the importance of diversity and inclusion at the workplace.
